Monday - 31 March 1975

25X1 [REDACTED] Called Russ Rourke in the office of John O. Marsh, Jr., Counsellor to the President, to alert him to four identical resolutions of inquiry (H. Res. 65, 71, 106, 148) introduced by Representative Elizabeth Holtzman (D., N. Y.). The resolutions would direct the President to supply information on CIA domestic activities to the House Judiciary Committee. Mr. Rourke was quite interested in these resolutions in spite of the fact they have little chance for success, and thanked me for informing him.

25X1 2. [REDACTED] John Swanner, Staff Director, House Committee on Standards of Official Conduct, returned my call of last Friday. I inquired about the status of numerous bills before his Committee which would require extensive financial disclosure by Federal employees. Swanner wasn't sure what action would be taken since the bills had been referred jointly to his Committee and the House Judiciary Committee. I expressed our concerns regarding these bills; he seemed most sympathetic and said he would formally ask for our position before the Committee began consideration. Swanner said the Committee was also considering bills which would regulate lobbying and I mentioned we were preparing comments on some Senate lobbying bills (S. 774 and 815), which are before the Senate Government Operations Committee. Swanner asked for our position on those bills and I promised to let him know once they are prepared.

25X1 25X1A 3. [REDACTED] Accompanied [REDACTED] NIO/SEA, to a briefing of a group of House International Relations Committee staff members on the situation in Vietnam. Included in the group were Jack Brady, Jack Sullivan, Mike Van Dusen, George Berdes and Mike Findley. The staffers were most appreciative of [REDACTED] time and asked if he might give them a follow-up briefing next Thursday, 10 April.
